

Stafford Summer Recreation **Parent Information Letter**

There will be NO dropping off kids at the lake *prior to 8:30 am* and they must be *picked up by 2:45 pm*. No driving into upper parking lot from 8:30 am – 3 pm while Rec. is in session.

It is imperative that your child have everything they need to get through the day. Please send them with swimwear, beach towel, sneakers, sandals (if they would like), and MOST importantly, a water bottle & sunscreen. Backpacks or bags are helpful. We need **all** items labeled with child's name or initials. Toys are NOT allowed at Rec., this includes cars, cards, & stuffed animals.

Please remember that your child's safety is our main concern. If you need to have someone *other than yourself* pick up your child, a note must be given to a counselor in order for us to release your child into someone else's care.

A breakfast & lunch program will be provided.

If your child is on daily medication, *a doctor's order* needs to be brought in (by an adult) along with the medicine.

ALL cell phones are required to be off and placed in the office. If you need to contact your child, please feel free to call the Recreation office at 860-851-8315 *any time after 7/1/18*.

No dogs allowed *at any time* during Rec.

Please sign up for the Stafford Citizen Alert System (thru www.staffordct.org) to be notified of any cancellations of Rec. for inclement weather.

If you have any questions, please check www.staffordsports.org or call Damian Frassinelli at 860-851-8333.
